

## Datasheet for ABIN7185411 **anti-PTGIS antibody (C-Term)**

[Go to Product page](#)

### Overview

|                      |                                      |
|----------------------|--------------------------------------|
| Quantity:            | 100 µg                               |
| Target:              | PTGIS                                |
| Binding Specificity: | C-Term                               |
| Reactivity:          | Human                                |
| Host:                | Rabbit                               |
| Clonality:           | Polyclonal                           |
| Conjugate:           | This PTGIS antibody is un-conjugated |
| Application:         | Western Blotting (WB), ELISA         |

### Product Details

|                   |                                                                                                                       |
|-------------------|-----------------------------------------------------------------------------------------------------------------------|
| Immunogen:        | Synthesized peptide derived from the C-terminal region of Human PGI2 synthase.                                        |
| Isotype:          | IgG                                                                                                                   |
| Cross-Reactivity: | Human, Mouse, Rat                                                                                                     |
| Purification:     | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen. |

### Target Details

|                   |                                                                                       |
|-------------------|---------------------------------------------------------------------------------------|
| Target:           | PTGIS                                                                                 |
| Alternative Name: | PTGIS ( <a href="#">PTGIS Products</a> )                                              |
| Background:       | CYP8 antibody, CYP8A1 antibody, Cytochrome P450, family 8, subfamily A, polypeptide 1 |

Target Details

antibody, EC 5.3.99.4 antibody, MGC126858 antibody, MGC126860 antibody, OTTHUMP00000031777 antibody, PGIS antibody, Prostacyclin synthase antibody, Prostaglandin I2 (prostacyclin) synthase antibody, Prostaglandin I2 synthase antibody, PTGI antibody, PTGIS antibody, PTGIS\_HUMAN antibody

UniProt: [Q16647](#)

Application Details

Application Notes: WB:1:500-1:2000, ELISA:1:40000,

Restrictions: For Research Use only

Handling

Format: Liquid

Buffer: Liquid in PBS containing 50 % glycerol, 0.5 % BSA and 0.02 % sodium azide.

Preservative: Sodium azide

Precaution of Use: This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only.

Storage: -20 °C,-80 °C

Storage Comment: Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.
