## Overview

|                      |                                      |
|----------------------|--------------------------------------|
| Quantity:            | 100 µg                               |
| Target:              | PTGR1                                |
| Binding Specificity: | Internal Region                      |
| Reactivity:          | Human                                |
| Host:                | Rabbit                               |
| Clonality:           | Polyclonal                           |
| Conjugate:           | This PTGR1 antibody is un-conjugated |
| Application:         | Western Blotting (WB), ELISA         |

## Product Details

|                   |                                                                                                                       |
|-------------------|-----------------------------------------------------------------------------------------------------------------------|
| Immunogen:        | Synthesized peptide derived from the Internal region of Human LTB4DH.                                                 |
| Isotype:          | IgG                                                                                                                   |
| Cross-Reactivity: | Human                                                                                                                 |
| Purification:     | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen. |

## Target Details

|                   |                                                                                  |
|-------------------|----------------------------------------------------------------------------------|
| Target:           | PTGR1                                                                            |
| Alternative Name: | PTGR1 ( <a href="#">PTGR1 Products</a> )                                         |
| Background:       | 15-oxoprostaglandin 13-reductase antibody, FLJ99229 antibody, leukotriene B4 12- |

Target Details

hydroxydehydrogenase antibody, LTB4DH antibody, MGC34943 antibody, NADP-dependent leukotriene B4 12-hydroxydehydrogenase antibody, PGR1 antibody, PRG-1 antibody, Prostaglandin reductase 1 antibody, Ptgr1 antibody, PTGR1\_HUMAN antibody, RP11-16L21.1 antibody, ZADH3 antibody, zinc binding alcohol dehydrogenase domain containing 3 antibody

UniProt: [Q14914](#)

Application Details

Application Notes: WB:1:500-1:2000, ELISA:1:5000,

Restrictions: For Research Use only

Handling

Format: Liquid

Buffer: Liquid in PBS containing 50 % glycerol, 0.5 % BSA and 0.02 % sodium azide.

Preservative: Sodium azide

Precaution of Use: This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only.

Storage: -20 °C,-80 °C

Storage Comment: Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.
