## Overview

|                      |                                      |
|----------------------|--------------------------------------|
| Quantity:            | 100 µL                               |
| Target:              | RFPL2                                |
| Binding Specificity: | AA 50-150                            |
| Reactivity:          | Human                                |
| Host:                | Rabbit                               |
| Clonality:           | Polyclonal                           |
| Conjugate:           | This RFPL2 antibody is un-conjugated |
| Application:         | Western Blotting (WB)                |

## Product Details

|                   |                                                                                                                    |
|-------------------|--------------------------------------------------------------------------------------------------------------------|
| Purpose:          | RFPL2 Rabbit pAb                                                                                                   |
| Immunogen:        | A synthetic peptide corresponding to a sequence within amino acids 50-150 of human RFPL2 (NP_006596.2).            |
| Sequence:         | PMSLECGCAV CLKCINSLQK EPHGEDLLCC CSSMVSRLNK IRRNRQLERL ASHIKELEPK<br>LKKILQMNPR MRKFQVDMTL DANTANNFLL ISDDLRSVRS G |
| Isotype:          | IgG                                                                                                                |
| Cross-Reactivity: | Human, Rat                                                                                                         |
| Characteristics:  | Polyclonal Antibodies                                                                                              |
| Purification:     | Affinity purification                                                                                              |

Target Details

|                   |                                                                               |
|-------------------|-------------------------------------------------------------------------------|
| Target:           | RFPL2                                                                         |
| Alternative Name: | RFPL2 ( <a href="#">RFPL2 Products</a> )                                      |
| Background:       | RFPL2,RNF79,Cell Biology & Developmental Biology,Ubiquitin,Neuroscience,RFPL2 |
| Molecular Weight: | 32kDa/35kDa/42kDa                                                             |
| Gene ID:          | 10739                                                                         |
| UniProt:          | <a href="#">075678</a>                                                        |

Application Details

|                    |                       |
|--------------------|-----------------------|
| Application Notes: | WB,1:500 - 1:2000     |
| Restrictions:      | For Research Use only |

Handling

|                    |                                                                                                                        |
|--------------------|------------------------------------------------------------------------------------------------------------------------|
| Format:            | Liquid                                                                                                                 |
| Buffer:            | PBS with 0.02 % sodium azide,50 % glycerol, pH 7.3.                                                                    |
| Preservative:      | Sodium azide                                                                                                           |
| Precaution of Use: | This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |
| Storage:           | -20 °C                                                                                                                 |
| Storage Comment:   | Store at -20°C. Avoid freeze / thaw cycles.                                                                            |
