## Overview

|              |                                      |
|--------------|--------------------------------------|
| Quantity:    | 100 µL                               |
| Target:      | CARD8                                |
| Reactivity:  | Human, Mouse, Rat                    |
| Host:        | Rabbit                               |
| Clonality:   | Polyclonal                           |
| Conjugate:   | This CARD8 antibody is un-conjugated |
| Application: | Western Blotting (WB)                |

## Product Details

|                  |                                                                 |
|------------------|-----------------------------------------------------------------|
| Immunogen:       | Recombinant full length protein of human CARD 8                 |
| Specificity:     | Recognizes endogenous levels of CARD 8 protein.                 |
| Characteristics: | Rabbit polyclonal antibody to CARD 8                            |
| Purification:    | The antibody was purified by immunogen affinity chromatography. |

## Target Details

|                   |                                                                                                                                                                                                                           |
|-------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target:           | CARD8                                                                                                                                                                                                                     |
| Alternative Name: | CARD 8 ( <a href="#">CARD8 Products</a> )                                                                                                                                                                                 |
| Background:       | KIAA0955, NDPP1, Caspase recruitment domain-containing protein 8, Apoptotic protein NDPP1, CARD-inhibitor of NF-kappa-B-activating ligand, CARDINAL, DACAR, Tumor up-regulated CARD-containing antagonist of CASP9, TUCAN |

### Target Details

|           |                                                               |
|-----------|---------------------------------------------------------------|
| Gene ID:  | 22900                                                         |
| UniProt:  | <a href="#">Q9Y2G2</a>                                        |
| Pathways: | <a href="#">Positive Regulation of Endopeptidase Activity</a> |

### Application Details

|                    |                       |
|--------------------|-----------------------|
| Application Notes: | WB (1:500 - 1:2000)   |
| Restrictions:      | For Research Use only |

### Handling

|                    |                                                                                                                        |
|--------------------|------------------------------------------------------------------------------------------------------------------------|
| Format:            | Liquid                                                                                                                 |
| Buffer:            | Liquid in 0.42 % Potassium phosphate, 0.87 % Sodium chloride, pH 7.3, 30 % glycerol, and 0.01 % sodium azide.          |
| Preservative:      | Sodium azide                                                                                                           |
| Precaution of Use: | This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |
| Storage:           | -20 °C                                                                                                                 |
| Storage Comment:   | Shipped at 4°C. Upon delivery aliquot and store at -20°C for one year. Avoid freeze/thaw cycles.                       |
| Expiry Date:       | 12 months                                                                                                              |
