## Target Details

---

Target:	Vasn
Alternative Name:	Vasorin ( <a href="#">Vasn Products</a> )
Background:	SLITL2, Slit-Like 2

## Application Details

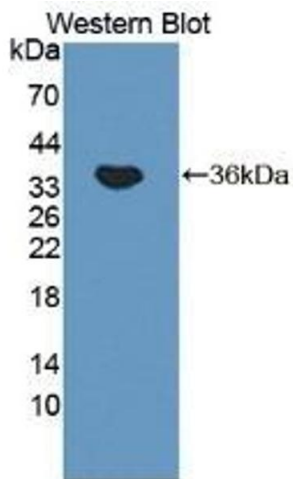

---

Comment:	The thermal stability is described by the loss rate. The loss rate was determined by accelerated thermal degradation test, that is, incubate the protein at 37°C for 48h, and no obvious degradation and precipitation were observed. The loss rate is less than 5% within the expiration date under appropriate storage condition.
Restrictions:	For Research Use only
