Quantity:	25 μg
Target:	SLAMF1
Reactivity:	Mouse
Host:	Rat
Clonality:	Monoclonal
Conjugate:	This SLAMF1 antibody is conjugated to APC
Application:	Flow Cytometry (FACS)
Product Details	

Clone:	TC15-12F12-2
Isotype:	IgG2a, lambda

### Target Details

Target:	SLAMF1
Alternative Name:	CD150 (SLAMF1 Products)
Background:	Slam,Slamf1,CD 150,Signaling lymphocytic activation molecule,CD150 is a 75-95 kD member of
	the immunoglobulin superfamily, also known as SLAM (signaling lymphocyte activation
	molecule) or IPO-3. CD150, a single chain type I transmembrane molecule, is expressed on
	thymocytes, T cell subsets, B cells, dendritic cells, and endothelial cells. The expression is
	upregulated upon activation. CD150 expression has been shown to be maintained on Th1 but
	not Th2 clones. T regulatory cells express a relatively high level of CD150. Antibodies against

### **Target Details**

CD150 have been shown to augment IFN-γ production by Th1 cells, especially when co-
stimulated through the TCR. CD150 associates with the src homology 2-domain-containing
protein tyrosine phosphatase SHP-2, and this association is thought to be involved in signal
transduction. In combination with CD48, CD150 is a useful marker for hematopoietic stem cell
studies.

## Application Details

Q9QUM4

Gene ID:

UniProt:

Application Notes:	Check your vial before the experiment. Since applications vary, the appropriate dilutions must
	be determined for individual use. We suggest each investigator should titrate the reagent to
	obtain optimal results [The recommended concentration is 0.1-1 $\mu g/10^{\circ}6$ cells in 100 $\mu L$
	volume].
Comment:	Matching Isotype Control: APC Rat IgG2a, λ Isotype Control (ABIN7469709)
Restrictions:	For Research Use only

### Handling

Concentration:	0.2 mg/mL
Buffer:	PBS with 0.05 % Proclin300, 1 % BSA
Preservative:	ProClin
Precaution of Use:	This product contains ProClin: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only.
Storage:	4 °C
Storage Comment:	Store at 2~8°C and protected from prolonged exposure to light. Do not freeze.
