## Recombinant anti-ICAM1 (Bersanlimab Biosimilar) antibody

### Overview

Quantity:	100 µg
Target:	ICAM1 (Bersanlimab Biosimilar)
Reactivity:	Human
Host:	Mammalian Cells
Antibody Type:	Recombinant Antibody
Clonality:	Monoclonal
Conjugate:	This ICAM1 (Bersanlimab Biosimilar) antibody is un-conjugated
Application:	Please inquire

### Product Details

Purpose:	Bersanlimab Biosimilar - Anti-ICAM1, CD54 mAb
Isotype:	IgG1 lambda
Characteristics:	Antibody Type: IgG1-lambda
Grade:	Research Grade

### Target Details

Target:	ICAM1 (Bersanlimab Biosimilar)
Target Type:	Biosimilar
Background:	BI-505

## Application Details

---

Restrictions: For Research Use only

## Handling

---

Buffer: PBS buffer pH 7.5

---

Storage: -80 °C

---

Storage Comment: store at -80°C
