## **RNF43 Protein (Fc Tag)**

#### Overview

Quantity:	100 μg
Target:	RNF43
Origin:	Human
Source:	HEK-293 Cells
Protein Type:	Recombinant
Purification tag / Conjugate:	This RNF43 protein is labelled with Fc Tag.

#### **Product Details**

Purpose:	Recombinant human RNF43 protein with C-terminal human Fc tag
Specificity:	RNF43 (Glu43-Tyr197) hFc (Glu99-Ala330)
Characteristics:	Extracellular Domain Protein
Purity:	The purity of the protein is greater than 95 % as determined by SDS-PAGE and Coomassie blue staining.

### Target Details

Target:	RNF43
Alternative Name:	RNF43 (RNF43 Products)
Background:	RNF124, SSPCS, URCC
	Description: The protein encoded by this gene is a RING-type E3 ubiquitin ligase and is
	predicted to contain a transmembrane domain, a protease-associated domain, an ectodomain,
	and a cytoplasmic RING domain. This protein is thought to negatively regulate Wnt signaling,

#### **Target Details**

Expiry Date:

12 months

Target Details	
	and expression of this gene results in an increase in ubiquitination of frizzled receptors, an
	alteration in their subcellular distribution, resulting in reduced surface levels of these receptors.
	Mutations in this gene have been reported in multiple tumor cells, including colorectal and
	endometrial cancers. Alternative splicing results in multiple transcript variants encoding
	different isoforms. [provided by RefSeq, Mar 2015]
Molecular Weight:	predicted molecular mass of 39.4 kDa after removal of the signal peptide. The apparent
	molecular mass of RNF43-hFc is 40-70 kDa due to glycosylation.
UniProt:	Q68DV7
Pathways:	WNT Signaling
Application Details	
Restrictions:	For Research Use only
Handling	
Format:	Lyophilized
Buffer:	sterile PBS, pH 7.4. Normally 5 % - 8 % trehalose is added as protectants before lyophilization.
Storage:	-20 °C,-80 °C
Storage Comment:	Store at -20°C to -80°C for 12 months in lyophilized form. After reconstitution, if not intended fo
	use within a month, aliquot and store at -80°C (Avoid repeated freezing and thawing).
	Lyophilized proteins are shipped at ambient temperature.
