**Recombinant anti-BNIP3L/NIX antibody**[Go to Product page](#)

## Overview

|                |                                                                                    |
|----------------|------------------------------------------------------------------------------------|
| Quantity:      | 100 µL                                                                             |
| Target:        | BNIP3L/NIX (BNIP3L)                                                                |
| Reactivity:    | Human                                                                              |
| Host:          | Rabbit                                                                             |
| Antibody Type: | Recombinant Antibody                                                               |
| Clonality:     | Monoclonal                                                                         |
| Conjugate:     | This BNIP3L/NIX antibody is un-conjugated                                          |
| Application:   | Western Blotting (WB), Immunohistochemistry (Paraffin-embedded Sections) (IHC (p)) |

## Product Details

|                   |                                                                                          |
|-------------------|------------------------------------------------------------------------------------------|
| Purpose:          | Rabbit recombinant monoclonal antibody raised against synthetic peptide of human BNIP3L. |
| Immunogen:        | Original antibody is raised against a synthetic peptide corresponding to human BNIP3L    |
| Clone:            | R01-0F5                                                                                  |
| Isotype:          | IgG                                                                                      |
| Cross-Reactivity: | Human                                                                                    |

## Target Details

|                   |                                                       |
|-------------------|-------------------------------------------------------|
| Target:           | BNIP3L/NIX (BNIP3L)                                   |
| Alternative Name: | BNIP3L ( <a href="#">BNIP3L Products</a> )            |
| Background:       | BCL2/adenovirus E1B 19 kDa interacting protein 3-like |

## Target Details

Gene ID: 665

Pathways: [Autophagy](#)

## Application Details

Application Notes: Immunohistochemistry (1:50-1/100), Western Blot (1:500-1:1000), The optimal working dilution should be determined by the end user.

Restrictions: For Research Use only

## Handling

Format: Liquid

Buffer: In 50 mM Tris-Glycine, pH 7.4 (0.15 M NaCl, 40 % Glycerol, 0.01 % Sodium azide and 0.05 % BSA).

Preservative: Sodium azide

Precaution of Use: This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only.

Storage: 4 °C, -20 °C

Storage Comment: Store at 4°C for short term. For long term storage store at -20°C.  
Aliquot to avoid repeated freezing and thawing.
