

Datasheet for ABIN7516838

**Recombinant anti-ECM1 antibody**[Go to Product page](#)

## Overview

|                |                                                                                                         |
|----------------|---------------------------------------------------------------------------------------------------------|
| Quantity:      | 100 µL                                                                                                  |
| Target:        | ECM1                                                                                                    |
| Reactivity:    | Human                                                                                                   |
| Host:          | Rabbit                                                                                                  |
| Antibody Type: | Recombinant Antibody                                                                                    |
| Clonality:     | Monoclonal                                                                                              |
| Application:   | Immunohistochemistry (IHC), Western Blotting (WB), Immunoprecipitation (IP),<br>Immunofluorescence (IF) |

## Product Details

|                   |                                                                                      |
|-------------------|--------------------------------------------------------------------------------------|
| Purpose:          | Rabbit recombinant monoclonal antibody raised against human ECM1.                    |
| Immunogen:        | Original antibody is raised against a synthetic peptide corresponding to human ECM1. |
| Clone:            | R07-7E8                                                                              |
| Isotype:          | IgG                                                                                  |
| Cross-Reactivity: | Human                                                                                |

## Target Details

|                   |                                        |
|-------------------|----------------------------------------|
| Target:           | ECM1                                   |
| Alternative Name: | ECM1 ( <a href="#">ECM1 Products</a> ) |
| Background:       | Extracellular matrix protein 1         |

## Target Details

|          |      |
|----------|------|
| Gene ID: | 1893 |
|----------|------|

## Application Details

|                    |                                                                                                                                                                                             |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Notes: | Immunofluorescence (1:50-1:200),Immunohistochemistry (1:50-1:100),Immunoprecipitation (1:20),Western Blot (1:500-1:1000),The optimal working dilution should be determined by the end user. |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

|               |                       |
|---------------|-----------------------|
| Restrictions: | For Research Use only |
|---------------|-----------------------|

## Handling

|         |        |
|---------|--------|
| Format: | Liquid |
|---------|--------|

|         |                                                                                                 |
|---------|-------------------------------------------------------------------------------------------------|
| Buffer: | In 50 mM Tris-Glycine, pH 7.4 (0.15 M NaCl, 40 % Glycerol, 0.01 % Sodium azide and 0.05 % BSA). |
|---------|-------------------------------------------------------------------------------------------------|

|               |              |
|---------------|--------------|
| Preservative: | Sodium azide |
|---------------|--------------|

|                    |                                                                                                                        |
|--------------------|------------------------------------------------------------------------------------------------------------------------|
| Precaution of Use: | This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |
|--------------------|------------------------------------------------------------------------------------------------------------------------|

|          |        |
|----------|--------|
| Storage: | -20 °C |
|----------|--------|

|                  |                                                                     |
|------------------|---------------------------------------------------------------------|
| Storage Comment: | Store at -20 °C.<br>Aliquot to avoid repeated freezing and thawing. |
|------------------|---------------------------------------------------------------------|
