## Datasheet for ABIN7519556 Streptavidin Protein

### Overview

|                      |                          |
|----------------------|--------------------------|
| Quantity:            | 1 mL                     |
| Target:              | Streptavidin             |
| Origin:              | Streptococcus agalactiae |
| Source:              | Streptococcus sp.        |
| Protein Type:        | Native                   |
| Biological Activity: | Inactive                 |

### Product Details

|          |  |
|----------|--|
| Purpose: | Inactivated Strep A antigen (native extract) |
|----------|--|

### Target Details

|                   |   |
|-------------------|---|
| Target:           | Streptavidin  |
| Alternative Name: | Strep A antigen ( <a href="#">Streptavidin Products</a> ) |

### Application Details

|               |                       |
|---------------|-----------------------|
| Restrictions: | For Research Use only |
|---------------|-----------------------|

### Handling

|                  |        |
|------------------|--------|
| Format:          | Liquid |
| Storage:         | -20 °C |
| Storage Comment: | -20°C  |
