Datasheet for ABIN7538286

GPR68 Protein

Overview

Quantity:	50 μg
Target:	GPR68
Origin:	Human
Source:	Mammalian Cells
Protein Type:	Synthetic Nanodisc

Product Details

Purpose:	Human OGR1 full length protein-synthetic nanodisc
Characteristics:	Unlike other membrane scaffold protein (MSP) Nanodisc on the market, our synthetic Nanodisc
	can be prepared directly from the cells. The polymers used during this process have a dual
	function. It dissolves the cell membranes, like the detergent, and uses cellular phospholipids to
	form Nanodisc around the membrane proteins. The target protein embedded Nanodiscs can
	then be purified.

Target Details

Target:	GPR68
Alternative Name:	OGR1 (GPR68 Products)
Background:	The protein encoded by this gene is a G protein-coupled receptor for
	sphingosylphosphorylcholine. The encoded protein is a proton-sensing receptor, inactive at pH
	7.8 but active at pH 6.8. Mutations in this gene are a cause of amelogenesis imperfecta.
	[provided by RefSeq, Feb 2017]
Molecular Weight:	The human full length OGR1 protein has a MW of 41.1kDa

Target Details UniProt: Q15743 **Application Details** Advantages of Synthetic Nanodiscs: Comment: Highly purified membrane proteins · High solubility in aqueous solutions · High stability · Proteins are in a native membrane environment and remain biologically active · No detergent and can be used for cell-based assays No MSP backbone proteins Limitations of Synthetic Nanodiscs: · Intolerant to acids and high concentrations of divalent metal ions Restrictions: For Research Use only Handling

Format:	Lyophilized
Buffer:	Lyophilized from nanodisc solubilization buffer (20 mM Tris-HCl, 150 mM NaCl, pH 8.0). Normally 5 % - 8 % trehalose is added as protectants before lyophilization.
Storage:	-20 °C,-80 °C
Storage Comment:	Store at -20°C to -80°C for 12 months in lyophilized form. After reconstitution, if not intended for use within a month, aliquot and store at -80°C (Avoid repeated freezing and thawing). Lyophilized proteins are shipped at ambient temperature.
Expiry Date:	12 months
