

Datasheet for ABIN7543765

**Recombinant anti-SSX2IP antibody**[Go to Product page](#)

## Overview

|                    |                                       |
|--------------------|---------------------------------------|
| Quantity:          | 200 µL                                |
| Target:            | SSX2IP                                |
| Reactivity:        | Human                                 |
| Host:              | Rabbit                                |
| Expression System: | HEK-293 Cells                         |
| Antibody Type:     | Recombinant Antibody                  |
| Clonality:         | Monoclonal                            |
| Conjugate:         | This SSX2IP antibody is un-conjugated |
| Application:       | Western Blotting (WB)                 |

## Product Details

|               |                                                                                                                  |
|---------------|------------------------------------------------------------------------------------------------------------------|
| Purpose:      | Recombinant rabbit monoclonal antibody to SSX2IP                                                                 |
| Immunogen:    | KLH-conjugated synthetic peptide encompassing a sequence within human SSX2IP. The exact sequence is proprietary. |
| Specificity:  | Recognizes endogenous levels of SSX2IP protein                                                                   |
| Purification: | The antibody was purified by immunogen affinity chromatography.                                                  |

## Target Details

|                   |                                            |
|-------------------|--------------------------------------------|
| Target:           | SSX2IP                                     |
| Alternative Name: | SSX2IP ( <a href="#">SSX2IP Products</a> ) |

## Target Details

|             |                                                                                                                                               |
|-------------|-----------------------------------------------------------------------------------------------------------------------------------------------|
| Background: | Alternative Names: KIAA0923, Afadin- and alpha-actinin-binding protein, ADIP, Afadin DIL domain-interacting protein, SSX2-interacting protein |
| Gene ID:    | 117178                                                                                                                                        |
| UniProt:    | <a href="#">Q9Y2D8</a>                                                                                                                        |

## Application Details

|                    |                       |
|--------------------|-----------------------|
| Application Notes: | WB (1/500 - 1/1000)   |
| Restrictions:      | For Research Use only |

## Handling

|                    |                                                                                                                        |
|--------------------|------------------------------------------------------------------------------------------------------------------------|
| Format:            | Liquid                                                                                                                 |
| Buffer:            | Liquid in PBS containing 50 % glycerol, 0.2 % BSA and 0.01 % sodium azide.                                             |
| Preservative:      | Sodium azide                                                                                                           |
| Precaution of Use: | This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |
| Storage:           | -20 °C                                                                                                                 |
| Storage Comment:   | Shipped at 4°C. Upon delivery aliquot and store at -20°C for one year. Avoid freeze/thaw cycles.                       |
