

Datasheet for ABIN7547558  
**FANCF Protein (AA 1-374) (His tag)**

[Go to Product page](#)

## Overview

|                               |  |
|-------------------------------|--|
| Quantity:                     | 1 mg   |
| Target:                       | FANCF  |
| Protein Characteristics:      | AA 1-374                                     |
| Origin:                       | Human  |
| Source:                       | HEK-293 Cells                                |
| Protein Type:                 | Recombinant                                  |
| Purification tag / Conjugate: | This FANCF protein is labelled with His tag. |

## Product Details

|                  |  |
|------------------|--|
| Purpose:         | Custom-made recombinant FANCF Protein expressed in mammalian cells.  |
| Sequence:        | MESLLQHLDL R FSELLAVSST TYVSTWDPAT VRRALQWARY LRHIHRRFGR HGPIRTALER<br>RLHNQWRQEG GFGRGPV PGL ANFQALGHCD VLLSLRLLN RALGDAARYH LVQQLFPGPG<br>VRDADEETLQ ESLARLARRR SAVHMLRFNG YRENPNLQED SLMKTQAELL LERLQEVGKA<br>EAERPARFLS SLWERLPQNN FLKVIAVALL QPPLSRRPQE ELEPGIHKSP GEGSQVLVHW<br>LLGNSEVFAA FCRALPAGLL TLVTSRHPAL SPVYLGLLTD WGQRLHYDLQ KGIWVGTESQ<br>DVPWEELHNR FQSLCQAPPP LKDKVLTAL E TCKAQDGD F E VPGLSIWTDL LLALRSGAFR<br>KRQVLGLSAG LSSV <b>Sequence without tag. The proposed Purification-Tag is based on<br/>experiences with the expression system, a different complexity of the protein could make<br/>another tag necessary. In case you have a special request, please contact us.</b> |
| Specificity:     | If you are looking for a specific domain and are interested in a partial protein or a different isoform, please contact us regarding an individual offer.  |
| Characteristics: | Key Benefits:  |

## Product Details

---

- Made to order protein - from design to production - by highly experienced protein experts.
- Protein expressed in mammalian cells and purified in one-step affinity chromatography
- The optimized expression system ensures reliability for intracellular, secreted and transmembrane proteins.
- State-of-the-art algorithm used for plasmid design (Gene synthesis).

This protein is a made-to-order protein and will be made for the first time for your order. Our experts in the lab try to ensure that you receive soluble protein.

If you are not interested in a full length protein, please contact us for individual protein fragments.

The big advantage of ordering our made-to-order proteins in comparison to ordering custom made proteins from other companies is that there is no financial obligation in case the protein cannot be expressed or purified.

---

|         |   |
|---------|---|
| Purity: | > 90 % as determined by Bis-Tris PAGE, anti-tag ELISA, Western Blot and analytical SEC (HPLC) |
| Grade:  | custom-made   |

---

## Target Details

---

|                   |  |
|-------------------|--|
| Target:           | FANCF  |
| Alternative Name: | FANCF ( <a href="#">FANCF Products</a> )   |
| Background:       | Fanconi anemia group F protein (Protein FANCF),FUNCTION: DNA repair protein that may operate in a postreplication repair or a cell cycle checkpoint function. May be implicated in interstrand DNA cross-link repair and in the maintenance of normal chromosome stability (By similarity). {ECO:0000250}. |
| Molecular Weight: | 42.3 kDa   |
| UniProt:          | <a href="#">Q9NPI8</a>   |
| Pathways:         | <a href="#">DNA Damage Repair</a>  |

---

## Application Details

---

|                    |   |
|--------------------|---|
| Application Notes: | We expect the protein to work for functional studies. As the protein has not been tested for functional studies yet we cannot offer a guarantee though. |
| Restrictions:      | For Research Use only   |

---

## Handling

---

|                  |  |
|------------------|--|
| Format:          | Liquid   |
| Buffer:          | The buffer composition is at the discretion of the manufacturer. |
| Handling Advice: | Avoid repeated freeze-thaw cycles.                               |
| Storage:         | -80 °C   |
| Storage Comment: | Store at -80°C.  |
| Expiry Date:     | 12 months  |
