Product Details

Purpose:	Custom-made recombinant Elof1 Protein expressed in mammalian cells.
Sequence:	MGRRKSKRKP PPKKKMTGTL ETQFTCPFCN HEKSCDVKMD RARNTGVISC TVCLEEFQTP ITYLSEPV DV YSDWIDACEA ANQ Sequence without tag. The proposed Purification-Tag is based on experiences with the expression system, a different complexity of the protein could make another tag necessary. Product Details

This protein is a made-to-order protein and will be made for the first time for your order. Our experts in the lab try to ensure that you receive soluble protein.

If you are not interested in a full length protein, please contact us for individual protein fragments.

The big advantage of ordering our made-to-order proteins in comparison to ordering custom made proteins from other companies is that there is no financial obligation in case the protein cannot be expressed or purified.
