**anti-SARS-CoV-2 NSP10 antibody (AA 4254-4393)**[Go to Product page](#)

## Overview

|                      |                                                          |
|----------------------|----------------------------------------------------------|
| Quantity:            | 100 µg                                                   |
| Target:              | SARS-CoV-2 NSP10 (NSP10)                                 |
| Binding Specificity: | AA 4254-4393                                             |
| Reactivity:          | SARS Coronavirus-2 (SARS-CoV-2)                          |
| Host:                | Rabbit                                                   |
| Clonality:           | Polyclonal                                               |
| Conjugate:           | This SARS-CoV-2 NSP10 antibody is un-conjugated          |
| Application:         | ELISA, Western Blotting (WB), Immunohistochemistry (IHC) |

## Product Details

|               |                                                                         |
|---------------|-------------------------------------------------------------------------|
| Purpose:      | Anti-NSP10/GFL Polyclonal antibody                                      |
| Immunogen:    | E. coli - derived recombinant SARS-CoV-2 NSP10 / GFL (Ala4254-Ser4393). |
| Isotype:      | IgG                                                                     |
| Purification: | Antigen affinity purification.                                          |

## Target Details

|                   |                                                                                          |
|-------------------|------------------------------------------------------------------------------------------|
| Target:           | SARS-CoV-2 NSP10 (NSP10)                                                                 |
| Alternative Name: | SARS-CoV-2 NSP10 ( <a href="#">NSP10 Products</a> )                                      |
| Target Type:      | Viral Protein                                                                            |
| Background:       | Non-structural protein 10, nsp10, Growth factor-like peptide, GFL, Replicase polyprotein |

## Target Details

1ab,pp1ab,ORF1ab polyprotein, SARS-like Coronaviruses

UniProt: [P0DTD1](#)

## Application Details

Application Notes: Optimal working dilution should be determined by the investigator.

Restrictions: For Research Use only

## Handling

Format: Liquid

Buffer: 0.01M PBS, pH 7.4, 50 % glycerol, 0.05 % Proclin 300.

Preservative: ProClin

Precaution of Use: This product contains ProClin: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only.

Storage: 4 °C,-20 °C,-80 °C

Storage Comment: Use a manual defrost freezer and avoid repeated freeze thaw cycles.Store at 4°C for frequent use.Store at -20 to -80 °C for twelve months from the date of receipt.
