## Overview

|                      |                                                          |
|----------------------|----------------------------------------------------------|
| Quantity:            | 100 µg                                                   |
| Target:              | SIAH2                                                    |
| Binding Specificity: | AA 68-324                                                |
| Reactivity:          | Human                                                    |
| Host:                | Rabbit                                                   |
| Clonality:           | Polyclonal                                               |
| Conjugate:           | This SIAH2 antibody is un-conjugated                     |
| Application:         | Western Blotting (WB), ELISA, Immunohistochemistry (IHC) |

## Product Details

|               |                                                           |
|---------------|-----------------------------------------------------------|
| Purpose:      | Anti-Human SIAH2 Polyclonal Antibody                      |
| Immunogen:    | E. coli - derived recombinant Human SIAH2 (Ser68-Pro324). |
| Isotype:      | IgG                                                       |
| Purification: | Antigen affinity purification.                            |

## Target Details

|                   |                                                                                                                                 |
|-------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Target:           | SIAH2                                                                                                                           |
| Alternative Name: | SIAH2 ( <a href="#">SIAH2 Products</a> )                                                                                        |
| Background:       | RING-type E3 ubiquitin transferase SIAH2, SIAH2, hSiah2, Seven in absentia homolog 2, Siah-2, E3 ubiquitin-protein ligase SIAH2 |

## Target Details

UniProt: [O43255](#)

## Application Details

Application Notes: Optimal working dilution should be determined by the investigator.

Restrictions: For Research Use only

## Handling

Format: Liquid

Buffer: 0.01M PBS, pH 7.4, 50 % glycerol, 0.05 % Proclin 300.

Preservative: ProClin

Precaution of Use: This product contains ProClin: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only.

Storage: 4 °C,-20 °C,-80 °C

Storage Comment: Use a manual defrost freezer and avoid repeated freeze thaw cycles.Store at 4°C for frequent use.Store at -20 to -80 °C for twelve months from the date of receipt.
