## Overview

|                      |                                                          |
|----------------------|----------------------------------------------------------|
| Quantity:            | 100 µg                                                   |
| Target:              | SPRY4                                                    |
| Binding Specificity: | AA 178-270                                               |
| Reactivity:          | Human                                                    |
| Host:                | Rabbit                                                   |
| Clonality:           | Polyclonal                                               |
| Conjugate:           | This SPRY4 antibody is un-conjugated                     |
| Application:         | Western Blotting (WB), ELISA, Immunohistochemistry (IHC) |

## Product Details

|               |                                                            |
|---------------|------------------------------------------------------------|
| Purpose:      | Anti-Human SPRY4 Polyclonal Antibody                       |
| Immunogen:    | E. coli - derived recombinant Human SPRY4 (Ser178-Arg270). |
| Isotype:      | IgG                                                        |
| Purification: | Antigen affinity purification.                             |

## Target Details

|                   |                                          |
|-------------------|------------------------------------------|
| Target:           | SPRY4                                    |
| Alternative Name: | SPRY4 ( <a href="#">SPRY4 Products</a> ) |
| Background:       | Protein sprouty homolog 4, Spry-4, SPRY4 |
| UniProt:          | <a href="#">Q9C004</a>                   |

## Application Details

---

|                    |                                                                    |
|--------------------|--------------------------------------------------------------------|
| Application Notes: | Optimal working dilution should be determined by the investigator. |
|--------------------|--------------------------------------------------------------------|

---

|               |                       |
|---------------|-----------------------|
| Restrictions: | For Research Use only |
|---------------|-----------------------|

---

## Handling

---

|         |        |
|---------|--------|
| Format: | Liquid |
|---------|--------|

---

|         |                                                       |
|---------|-------------------------------------------------------|
| Buffer: | 0.01M PBS, pH 7.4, 50 % glycerol, 0.05 % Proclin 300. |
|---------|-------------------------------------------------------|

---

|               |         |
|---------------|---------|
| Preservative: | ProClin |
|---------------|---------|

---

|                    |                                                                                                                   |
|--------------------|-------------------------------------------------------------------------------------------------------------------|
| Precaution of Use: | This product contains ProClin: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |
|--------------------|-------------------------------------------------------------------------------------------------------------------|

---

|          |                    |
|----------|--------------------|
| Storage: | 4 °C,-20 °C,-80 °C |
|----------|--------------------|

---

|                  |                                                                                                                                                                     |
|------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Storage Comment: | Use a manual defrost freezer and avoid repeated freeze thaw cycles.Store at 4°C for frequent use.Store at -20 to -80 °C for twelve months from the date of receipt. |
|------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------|
