## Overview

|                      |                                                          |
|----------------------|----------------------------------------------------------|
| Quantity:            | 100 µg                                                   |
| Target:              | SULT1C2                                                  |
| Binding Specificity: | AA 12-296                                                |
| Reactivity:          | Human                                                    |
| Host:                | Rabbit                                                   |
| Clonality:           | Polyclonal                                               |
| Conjugate:           | This SULT1C2 antibody is un-conjugated                   |
| Application:         | Western Blotting (WB), ELISA, Immunohistochemistry (IHC) |

## Product Details

|               |                                                             |
|---------------|-------------------------------------------------------------|
| Purpose:      | Anti-Human SULT1C2 Polyclonal Antibody                      |
| Immunogen:    | E. coli - derived recombinant Human SULT1C2 (Lys12-Leu296). |
| Isotype:      | IgG                                                         |
| Purification: | Antigen affinity purification.                              |

## Target Details

|                   |                                                                                          |
|-------------------|------------------------------------------------------------------------------------------|
| Target:           | SULT1C2                                                                                  |
| Alternative Name: | SULT1C2 ( <a href="#">SULT1C2 Products</a> )                                             |
| Background:       | SULT1C2, humSULTC2, Sulfotransferase 1C1, ST1C2, SULT1C#1, SULT1C1, Sulfotransferase 1C2 |

## Target Details

---

UniProt: [O00338](#)

## Application Details

---

Application Notes: Optimal working dilution should be determined by the investigator.

---

Restrictions: For Research Use only

---

## Handling

---

Format: Liquid

---

Buffer: 0.01M PBS, pH 7.4, 50 % glycerol, 0.05 % Proclin 300.

---

Preservative: ProClin

---

Precaution of Use: This product contains ProClin: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only.

---

Storage: 4 °C,-20 °C,-80 °C

---

Storage Comment: Use a manual defrost freezer and avoid repeated freeze thaw cycles.Store at 4°C for frequent use.Store at -20 to -80 °C for twelve months from the date of receipt.
