## Overview

|                      |                                                          |
|----------------------|----------------------------------------------------------|
| Quantity:            | 100 µg                                                   |
| Target:              | TRPV5                                                    |
| Binding Specificity: | AA 1-327                                                 |
| Reactivity:          | Human                                                    |
| Host:                | Rabbit                                                   |
| Clonality:           | Polyclonal                                               |
| Conjugate:           | This TRPV5 antibody is un-conjugated                     |
| Application:         | Western Blotting (WB), ELISA, Immunohistochemistry (IHC) |

## Product Details

|               |                                                          |
|---------------|----------------------------------------------------------|
| Purpose:      | Anti-TRPV5 Polyclonal antibody                           |
| Immunogen:    | E. coli - derived recombinant Human TRPV5 (Met1-Pro327). |
| Isotype:      | IgG                                                      |
| Purification: | Antigen affinity purification.                           |

## Target Details

|                   |                                                                                                                                                                    |
|-------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target:           | TRPV5                                                                                                                                                              |
| Alternative Name: | TRPV5 ( <a href="#">TRPV5 Products</a> )                                                                                                                           |
| Background:       | ECaC1,Calcium transport protein 2,Epithelial calcium channel 1,TRPV5,Osm-9-like TRP channel 3,ECaC1,Transient receptor potential cation channel subfamily V member |

## Target Details

5,OTRPC3,CaT2,ECaC,TrpV5,

UniProt: [Q9NQA5](#)

## Application Details

Application Notes: Optimal working dilution should be determined by the investigator.

Restrictions: For Research Use only

## Handling

Format: Liquid

Buffer: 0.01M PBS, pH 7.4, 50 % glycerol, 0.05 % Proclin 300.

Preservative: ProClin

Precaution of Use: This product contains ProClin: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only.

Storage: 4 °C,-20 °C,-80 °C

Storage Comment: Use a manual defrost freezer and avoid repeated freeze thaw cycles.Store at 4°C for frequent use.Store at -20 to -80 °C for twelve months from the date of receipt.
