

Datasheet for ABIN7575617  
**DC-SIGN/CD209 Protein (Fc Tag)**

[Go to Product page](#)

## Overview

|                               |                                                     |
|-------------------------------|-----------------------------------------------------|
| Quantity:                     | 100 µg                                              |
| Target:                       | DC-SIGN/CD209 (CD209)                               |
| Origin:                       | Human                                               |
| Source:                       | Mammalian Cells                                     |
| Protein Type:                 | Recombinant                                         |
| Purification tag / Conjugate: | This DC-SIGN/CD209 protein is labelled with Fc Tag. |
| Application:                  | ELISA, Western Blotting (WB), SDS-PAGE (SDS)        |

## Product Details

|           |                                       |
|-----------|---------------------------------------|
| Purpose:  | Recombinant Human CD209 Protein, N-Fc |
| Sequence: | Lys62-Ala404                          |

## Target Details

|                   |                                                                                                                                                 |
|-------------------|-------------------------------------------------------------------------------------------------------------------------------------------------|
| Target:           | DC-SIGN/CD209 (CD209)                                                                                                                           |
| Alternative Name: | CD209 ( <a href="#">CD209 Products</a> )                                                                                                        |
| Background:       | CD209, DC-SIGN1, Dendritic cell-specific ICAM-3-grabbing non-integrin 1, CD209 antigen, CLEC4L, DC-SIGN, C-type lectin domain family 4 member L |
| Molecular Weight: | 67.20 kDa                                                                                                                                       |
| UniProt:          | <a href="#">Q9NNX6</a>                                                                                                                          |

## Application Details

---

|                    |                                                                    |
|--------------------|--------------------------------------------------------------------|
| Application Notes: | Optimal working dilution should be determined by the investigator. |
|--------------------|--------------------------------------------------------------------|

|               |                       |
|---------------|-----------------------|
| Restrictions: | For Research Use only |
|---------------|-----------------------|

## Handling

---

|         |        |
|---------|--------|
| Format: | Liquid |
|---------|--------|

|                 |                                                     |
|-----------------|-----------------------------------------------------|
| Reconstitution: | Reconstitute in sterile water for a stock solution. |
|-----------------|-----------------------------------------------------|

|         |                    |
|---------|--------------------|
| Buffer: | 0.01M PBS, pH 7.4. |
|---------|--------------------|

|          |                    |
|----------|--------------------|
| Storage: | 4 °C,-20 °C,-80 °C |
|----------|--------------------|

|                  |                                                                                                                                                                        |
|------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Storage Comment: | Use a manual defrost freezer and avoid repeated freeze thaw cycles.Store at 2 to 8 °C for one week .Store at -20 to -80 °C for twelve months from the date of receipt. |
|------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
