

Datasheet for ABIN7608848

**Recombinant anti-Glucocorticoid Receptor antibody**[Go to Product page](#)

## Overview

|                |                                                                                                             |
|----------------|-------------------------------------------------------------------------------------------------------------|
| Quantity:      | 100 µL                                                                                                      |
| Target:        | Glucocorticoid Receptor (NR3C1)                                                                             |
| Reactivity:    | Rabbit                                                                                                      |
| Host:          | Rabbit                                                                                                      |
| Antibody Type: | Recombinant Antibody                                                                                        |
| Clonality:     | Monoclonal                                                                                                  |
| Conjugate:     | This Glucocorticoid Receptor antibody is un-conjugated                                                      |
| Application:   | Western Blotting (WB), Immunohistochemistry (IHC), ELISA, Immunofluorescence (IF), Immunoprecipitation (IP) |

## Product Details

|                  |                                                                                                                                                          |
|------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------|
| Purpose:         | Glucocorticoid Receptor Recombinant Monoclonal Antibody                                                                                                  |
| Clone:           | PT0306R                                                                                                                                                  |
| Isotype:         | IgG, kappa                                                                                                                                               |
| Characteristics: | The Glucocorticoid Receptor Recombinant Monoclonal Antibody (Species: Rabbit) has been validated for the following applications: WB, IHC, IF, IP, ELISA. |
| Purification:    | Protein A                                                                                                                                                |

## Target Details

|         |                                 |
|---------|---------------------------------|
| Target: | Glucocorticoid Receptor (NR3C1) |
|---------|---------------------------------|

## Target Details

|                   |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
|-------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Alternative Name: | Glucocorticoid Receptor ( <a href="#">NR3C1 Products</a> )                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| Gene ID:          | 2908                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
| UniProt:          | <a href="#">P04150</a>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |

## Application Details

|                    |                                                                    |
|--------------------|--------------------------------------------------------------------|
| Application Notes: | Optimal working dilution should be determined by the investigator. |
| Restrictions:      | For Research Use only                                              |

## Handling

|                  |                              |
|------------------|------------------------------|
| Format:          | Liquid                       |
| Storage:         | -20 °C                       |
| Storage Comment: | Store at -20°C for 12 months |
| Expiry Date:     | 12 months                    |
