

## Datasheet for ABIN7611718 **anti-MAPRE1 antibody**

[Go to Product page](#)

### Overview

|              |                                       |
|--------------|---------------------------------------|
| Quantity:    | 100 µL                                |
| Target:      | MAPRE1                                |
| Reactivity:  | Human                                 |
| Host:        | Rabbit                                |
| Clonality:   | Monoclonal                            |
| Conjugate:   | This MAPRE1 antibody is un-conjugated |
| Application: | Flow Cytometry (FACS)                 |

### Product Details

|                  |                                                                                                                                                                                 |
|------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Purpose:         | Anti-Microtubule Associated Protein RP/EB Family, Member 1 (MAPRE1) Monoclonal Antibody                                                                                         |
| Clone:           | C7                                                                                                                                                                              |
| Characteristics: | The Anti-Microtubule Associated Protein RP/EB Family, Member 1 (MAPRE1) Monoclonal Antibody (Species: Human) has been validated for the following applications: Flow cytometry. |
| Purification:    | Protein A + Protein G affinity chromatography                                                                                                                                   |

### Target Details

|                   |                                            |
|-------------------|--------------------------------------------|
| Target:           | MAPRE1                                     |
| Alternative Name: | MAPRE1 ( <a href="#">MAPRE1 Products</a> ) |
| Gene ID:          | 22919                                      |
| UniProt:          | <a href="#">Q15691</a>                     |

## Target Details

---

Pathways: [M Phase](#)

## Application Details

---

Application Notes: Optimal working dilution should be determined by the investigator.

---

Restrictions: For Research Use only

## Handling

---

Format: Liquid

---

Concentration: 1 mg/mL

---

Buffer: 0.01M PBS, pH 7.4, containing 0.05 % Proclin-300, 50 % glycerol

---

Preservative: ProClin

---

Precaution of Use: This product contains ProClin: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only.

---

Storage: 4 °C, -20 °C

---

Storage Comment: 2°C to 8°C for frequent use, -20°C for 12 months. Avoid repeated freeze/thaw cycles.

---

Expiry Date: 12 months
