## Overview

|                      |                                         |
|----------------------|-----------------------------------------|
| Quantity:            | 100 µL                                  |
| Target:              | DEFB103A                                |
| Binding Specificity: | AA 23-67                                |
| Reactivity:          | Human                                   |
| Host:                | Rabbit                                  |
| Clonality:           | Polyclonal                              |
| Conjugate:           | This DEFB103A antibody is un-conjugated |
| Application:         | Western Blotting (WB)                   |

## Product Details

|                  |                                                                                                                               |
|------------------|-------------------------------------------------------------------------------------------------------------------------------|
| Purpose:         | Defensin Beta 103A (DEFb103A) Polyclonal Antibody                                                                             |
| Sequence:        | Gly23~Lys67                                                                                                                   |
| Characteristics: | The Defensin Beta 103A (DEFb103A) Polyclonal Antibody (Species: Human) has been validated for the following applications: WB. |
| Purification:    | Antigen-specific affinity chromatography followed by Protein A affinity chromatography                                        |

## Target Details

|                   |                                                |
|-------------------|------------------------------------------------|
| Target:           | DEFB103A                                       |
| Alternative Name: | DEFb103A ( <a href="#">DEFB103A Products</a> ) |
| Gene ID:          | 414325                                         |

## Target Details

|           |                                                                     |
|-----------|---------------------------------------------------------------------|
| UniProt:  | <a href="#">P81534</a>                                              |
| Pathways: | <a href="#">Production of Molecular Mediator of Immune Response</a> |

## Application Details

|                    |                                                                    |
|--------------------|--------------------------------------------------------------------|
| Application Notes: | Optimal working dilution should be determined by the investigator. |
| Restrictions:      | For Research Use only                                              |

## Handling

|                    |                                                                                                                   |
|--------------------|-------------------------------------------------------------------------------------------------------------------|
| Format:            | Liquid                                                                                                            |
| Concentration:     | 0.5 mg/mL                                                                                                         |
| Buffer:            | 0.01M PBS, pH 7.4, containing 0.05 % Proclin-300, 50 % glycerol                                                   |
| Preservative:      | ProClin                                                                                                           |
| Precaution of Use: | This product contains ProClin: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |
| Storage:           | 4 °C,-20 °C                                                                                                       |
| Storage Comment:   | 2°C to 8°C for frequent use, -20°C for 12 months. Avoid repeated freeze/thaw cycles.                              |
| Expiry Date:       | 12 months                                                                                                         |
