## Overview

|                      |                                        |
|----------------------|----------------------------------------|
| Quantity:            | 100 µg                                 |
| Target:              | DENND1A                                |
| Binding Specificity: | AA 1-559                               |
| Reactivity:          | Human                                  |
| Host:                | Rabbit                                 |
| Clonality:           | Polyclonal                             |
| Conjugate:           | This DENND1A antibody is un-conjugated |
| Application:         | ELISA, Immunohistochemistry (IHC)      |

## Product Details

|                  |                                                                                                                 |
|------------------|-----------------------------------------------------------------------------------------------------------------|
| Purpose:         | Dennd1A Polyclonal Antibody                                                                                     |
| Immunogen:       | Recombinant Human Denn Domain-Containing Protein 1A Protein                                                     |
| Isotype:         | IgG                                                                                                             |
| Characteristics: | The Dennd1A Polyclonal Antibody (Species: Human) has been validated for the following applications: ELISA, IHC. |
| Purification:    | Protein G Purified                                                                                              |
| Purity:          | >95%                                                                                                            |

## Target Details

|         |         |
|---------|---------|
| Target: | DENND1A |
|---------|---------|

## Target Details

Alternative Name: DENND1A ([DENND1A Products](#))

UniProt: [Q8TEH3](#)

## Application Details

Application Notes: Optimal working dilution should be determined by the investigator.

Restrictions: For Research Use only

## Handling

Format: Liquid

Concentration: Lot specific

Buffer: Preservative: 0.03 % Proclin 300, Constituents: 50 % Glycerol, 0.01M PBS, PH 7.4

Preservative: ProClin

Precaution of Use: This product contains ProClin: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only.

Storage: 4 °C,-20 °C

Storage Comment: 2°C to 8°C for frequent use, -20°C for 12 months. Avoid repeated freeze/thaw cycles.

Expiry Date: 12 months
