## Overview

|                      |                                                          |
|----------------------|----------------------------------------------------------|
| Quantity:            | 100 µg                                                   |
| Target:              | Keratin 33B (KRT33B)                                     |
| Binding Specificity: | AA 1-404                                                 |
| Reactivity:          | Human                                                    |
| Host:                | Rabbit                                                   |
| Clonality:           | Polyclonal                                               |
| Conjugate:           | This Keratin 33B antibody is un-conjugated               |
| Application:         | ELISA, Western Blotting (WB), Immunohistochemistry (IHC) |

## Product Details

|                  |                                                                                                                    |
|------------------|--------------------------------------------------------------------------------------------------------------------|
| Purpose:         | KRT33B Polyclonal Antibody                                                                                         |
| Immunogen:       | Recombinant Human Keratin, type I cuticular Ha3-II protein                                                         |
| Isotype:         | IgG                                                                                                                |
| Characteristics: | The KRT33B Polyclonal Antibody (Species: Human) has been validated for the following applications: ELISA, WB, IHC. |
| Purification:    | Antigen affinity purified                                                                                          |

## Target Details

|                   |                                            |
|-------------------|--------------------------------------------|
| Target:           | Keratin 33B (KRT33B)                       |
| Alternative Name: | KRT33B ( <a href="#">KRT33B Products</a> ) |

## Target Details

---

UniProt: [Q14525](#)

## Application Details

---

Application Notes: Optimal working dilution should be determined by the investigator.

---

Restrictions: For Research Use only

## Handling

---

Format: Liquid

---

Concentration: Lot specific

---

Buffer: 0.03 % Proclin 300, 50 % glycerol, 0.01M PBS, pH 7.4

---

Preservative: ProClin

---

Precaution of Use: This product contains ProClin: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only.

---

Storage: 4 °C, -20 °C

---

Storage Comment: 2°C to 8°C for frequent use, -20°C for 12 months. Avoid repeated freeze/thaw cycles.

---

Expiry Date: 12 months
