## Overview

|                      |                                                          |
|----------------------|----------------------------------------------------------|
| Quantity:            | 100 µg                                                   |
| Target:              | PRSS35                                                   |
| Binding Specificity: | AA 201-413                                               |
| Reactivity:          | Human                                                    |
| Host:                | Rabbit                                                   |
| Clonality:           | Polyclonal                                               |
| Conjugate:           | This PRSS35 antibody is un-conjugated                    |
| Application:         | ELISA, Western Blotting (WB), Immunohistochemistry (IHC) |

## Product Details

|                  |                                                                                                                    |
|------------------|--------------------------------------------------------------------------------------------------------------------|
| Purpose:         | PRSS35 Polyclonal Antibody                                                                                         |
| Immunogen:       | Recombinant Human Inactive serine protease 35 protein                                                              |
| Isotype:         | IgG                                                                                                                |
| Characteristics: | The PRSS35 Polyclonal Antibody (Species: Human) has been validated for the following applications: ELISA, WB, IHC. |
| Purification:    | Antigen affinity purified                                                                                          |

## Target Details

|                   |                                            |
|-------------------|--------------------------------------------|
| Target:           | PRSS35                                     |
| Alternative Name: | PRSS35 ( <a href="#">PRSS35 Products</a> ) |

## Target Details

UniProt: [Q8N3Z0](#)

## Application Details

Application Notes: Optimal working dilution should be determined by the investigator.

Restrictions: For Research Use only

## Handling

Format: Liquid

Concentration: Lot specific

Buffer: 0.03 % Proclin 300, 50 % glycerol, 0.01M PBS, pH 7.4

Preservative: ProClin

Precaution of Use: This product contains ProClin: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only.

Storage: 4 °C, -20 °C

Storage Comment: 2°C to 8°C for frequent use, -20°C for 12 months. Avoid repeated freeze/thaw cycles.

Expiry Date: 12 months
