## Overview

|                      |                                                          |
|----------------------|----------------------------------------------------------|
| Quantity:            | 100 µg                                                   |
| Target:              | TRAPPC6B                                                 |
| Binding Specificity: | AA 1-130                                                 |
| Reactivity:          | Human                                                    |
| Host:                | Rabbit                                                   |
| Clonality:           | Polyclonal                                               |
| Conjugate:           | This TRAPPC6B antibody is un-conjugated                  |
| Application:         | ELISA, Western Blotting (WB), Immunohistochemistry (IHC) |

## Product Details

|                  |                                                                                                                      |
|------------------|----------------------------------------------------------------------------------------------------------------------|
| Purpose:         | Trappc6B Polyclonal Antibody                                                                                         |
| Immunogen:       | Recombinant Human Trafficking Protein Particle Complex Subunit 6B Protein                                            |
| Isotype:         | IgG                                                                                                                  |
| Characteristics: | The Trappc6B Polyclonal Antibody (Species: Human) has been validated for the following applications: ELISA, WB, IHC. |
| Purification:    | Protein G Purified                                                                                                   |
| Purity:          | >95%                                                                                                                 |

## Target Details

|         |          |
|---------|----------|
| Target: | TRAPPC6B |
|---------|----------|

## Target Details

Alternative Name: TRAPPC6B ([TRAPPC6B Products](#))

UniProt: [Q86SZ2](#)

## Application Details

Application Notes: Optimal working dilution should be determined by the investigator.

Restrictions: For Research Use only

## Handling

Format: Liquid

Concentration: Lot specific

Buffer: Preservative: 0.03 % Proclin 300, Constituents: 50 % Glycerol, 0.01M PBS, PH 7.4

Preservative: ProClin

Precaution of Use: This product contains ProClin: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only.

Storage: 4 °C,-20 °C

Storage Comment: 2°C to 8°C for frequent use, -20°C for 12 months. Avoid repeated freeze/thaw cycles.

Expiry Date: 12 months
