## Overview

|                      |                                                   |
|----------------------|---------------------------------------------------|
| Quantity:            | 100 µL                                            |
| Target:              | TWSG1                                             |
| Binding Specificity: | AA 26-223                                         |
| Reactivity:          | Human                                             |
| Host:                | Rabbit                                            |
| Clonality:           | Polyclonal                                        |
| Conjugate:           | This TWSG1 antibody is un-conjugated              |
| Application:         | Western Blotting (WB), Immunohistochemistry (IHC) |

## Product Details

|                  |                                                                                                                                                     |
|------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| Purpose:         | Twisted Gastrulation Protein Homolog 1 (TWSG1) Polyclonal Antibody                                                                                  |
| Sequence:        | Cys26~Phe223                                                                                                                                        |
| Characteristics: | The Twisted Gastrulation Protein Homolog 1 (TWSG1) Polyclonal Antibody (Species: Human) has been validated for the following applications: WB, IHC. |
| Purification:    | Antigen-specific affinity chromatography followed by Protein A affinity chromatography                                                              |

## Target Details

|                   |                                          |
|-------------------|------------------------------------------|
| Target:           | TWSG1                                    |
| Alternative Name: | TWSG1 ( <a href="#">TWSG1 Products</a> ) |
| Gene ID:          | 57045                                    |

## Target Details

UniProt: [Q9GZX9](#)

## Application Details

Application Notes: Optimal working dilution should be determined by the investigator.

Restrictions: For Research Use only

## Handling

Format: Liquid

Concentration: 0.5 mg/mL

Buffer: 0.01M PBS, pH 7.4, containing 0.05 % Proclin-300, 50 % glycerol

Preservative: ProClin

Precaution of Use: This product contains ProClin: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only.

Storage: 4 °C, -20 °C

Storage Comment: 2°C to 8°C for frequent use, -20°C for 12 months. Avoid repeated freeze/thaw cycles.

Expiry Date: 12 months
