## Overview

|              |                                        |
|--------------|----------------------------------------|
| Quantity:    | 100 tests                              |
| Target:      | CD5                                    |
| Reactivity:  | Human                                  |
| Host:        | Guinea Pig                             |
| Clonality:   | Polyclonal                             |
| Conjugate:   | This CD5 antibody is conjugated to APC |
| Application: | Flow Cytometry (FACS)                  |

## Product Details

|               |                                                                                        |
|---------------|----------------------------------------------------------------------------------------|
| Purpose:      | APC-Linked Anti-Cluster Of Differentiation 5 (CD5) Polyclonal Antibody                 |
| Isotype:      | IgG                                                                                    |
| Purification: | Antigen-specific affinity chromatography followed by Protein A affinity chromatography |

## Target Details

|                   |                                       |
|-------------------|---------------------------------------|
| Target:           | CD5                                   |
| Alternative Name: | Cluster Of Differentiation 5          |
| Background:       | T1, LEU1, Lymphocyte antigen T1/Leu-1 |
| UniProt:          | <a href="#">P06127</a>                |

## Application Details

Application Notes: For flow cytometry, the suggested use of this reagent is 1-5 µL per 10<sup>6</sup> cells in 100 µL volume.  
Optimal working dilutions could be determined by end user.

Restrictions: For Research Use only

## Handling

Format: Liquid

Buffer: 0.01M PBS, pH 7.4, containing 0.05 % Proclin-300, 50 % glycerol.

Preservative: ProClin

Precaution of Use: This product contains ProClin: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only.

Storage: 4 °C

Storage Comment: Store at 4°C, protected from prolonged exposure to light.
