## Datasheet for ABIN912338 anti-PRPS1L1 antibody (AA 41-140) (Alexa Fluor 488)

Overview

| -                    |                                                                                                                                |
|----------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Quantity:            | 100 µL                                                                                                                         |
| Target:              | PRPS1L1                                                                                                                        |
| Binding Specificity: | AA 41-140                                                                                                                      |
| Reactivity:          | Human                                                                                                                          |
| Host:                | Rabbit                                                                                                                         |
| Clonality:           | Polyclonal                                                                                                                     |
| Conjugate:           | This PRPS1L1 antibody is conjugated to Alexa Fluor 488                                                                         |
| Application:         | Western Blotting (WB), Immunofluorescence (Cultured Cells) (IF (cc)), Immunofluorescence (Paraffin-embedded Sections) (IF (p)) |

## Product Details

| Immunogen:            | KLH conjugated synthetic peptide derived from human PRS3 |
|-----------------------|----------------------------------------------------------|
| Isotype:              | lgG                                                      |
| Cross-Reactivity:     | Human                                                    |
| Predicted Reactivity: | Mouse,Rat,Dog,Cow,Pig,Horse,Chicken                      |
| Purification:         | Purified by Protein A.                                   |
| Target Details        |                                                          |

| Target:           | PRPS1L1                    |
|-------------------|----------------------------|
| Alternative Name: | PRPS1L1 (PRPS1L1 Products) |
