

Datasheet for ABIN934544  
**E. coli O157:H7 Protein**

[Go to Product page](#)

## Overview

Quantity:	1 mL
Target:	E. coli O157:H7
Origin:	E. coli
Source:	Escherichia coli (E. coli)
Protein Type:	Native
Application:	ELISA

## Product Details

### Target Details

Target:	E. coli O157:H7
Abstract:	<a href="#">E. coli O157:H7 Products</a>
Target Type:	Bacteria

### Application Details

Application Notes:	ELISA: 1:100
Restrictions:	For Research Use only

### Handling

Format:	Lyophilized
Buffer:	Lyophilized from a dextran solution, no preservatives added

## Handling

---

Preservative: Without preservative

---

Storage: 4 °C/-20 °C/-80 °C
