

## Datasheet for ABIN935889 **VZV Protein**

[Go to Product page](#)

### Overview

Quantity:	1 mL
Target:	VZV
Origin:	Varicella Zoster Virus (VZV)
Source:	Varicella Zoster Virus (VZV)
Protein Type:	Native
Application:	ELISA, Immunoassay (IA)

### Product Details

#### Target Details

Target:	VZV
Abstract:	<a href="#">VZV Products</a>
Target Type:	Virus

#### Application Details

Application Notes:	This preparation yields high sensitivity and low background in the ELISA and other solid phase immunoassays.
Restrictions:	For Research Use only

### Handling

Format:	Liquid
---------	--------

## Handling

---

Buffer: Supplied in 100 mM Glycine buffer, pH 9.5

---

Storage: 4 °C/-20 °C/-80 °C
